

A note from the pastor

Being ill is no fun, be it the flu bug or an allergy reaction. As I noted two weeks ago, we are in the midst of a nasty flu season, so I urge you to exercise caution. Minimize your chances of becoming ill by washing your hands often. If you are ill with the flu bug or even a bad cold, stay home and rest!

Since airing that concern, another issue was raised by a parishioner who became ill enough that she had to leave Mass. Her problem was that someone sitting nearby had generously used a strong cologne which she found so overpowering that she became ill. If you use cologne or after shave, please do so in moderation so that the scent is pleasing and not overwhelming to those around you. While people with such sensitivities are few, those of us who don't have such allergies can make life easier for them by being more considerate of their need to breathe air that is free of strong scents. Thank you.

MANY, MANY THANKS: On your way into Mass, please stop by the 3-Ps boxes and look at the sign.
