# Respect Life Month

I CAME SO THAT  
THEY MIGHT HAVE  
**LIFE**

During the Easter Vigil liturgy, the single flame of the Easter candle shines through the darkness. That small flame spreads as each person's candle is lit and the light of Christ is shared with others. Before we know it, the entire Church is ablaze with the warm glow of candlelight and the darkness has been vanquished.

We are each called by God to be that light of Christ that breaks through the darkness. We are called to be his disciples, continually transformed by our encounter with him and sharing in his mission. Jesus came that we might have *life*.

Part of the impetus for the Eucharistic Revival was a concern that some Catholics do not believe, or at least do not understand, that Jesus is truly present in the Eucharist. Even though our human senses perceive bread and wine, the Eucharist is Jesus—body, blood, soul, and divinity. Similarly, many people do not realize or acknowledge the sanctity of human life when it is hidden in the womb. Both instances call for us to help others recognize these sacred gifts that may not be perceivable through our human senses. We need to help others understand that just because something may not be apparent to our eyes does not mean that it is not there or that it is not important.

We live in a society that rejects those who are weak, fragile, or vulnerable. Yet, it is precisely within these conditions that a person is most in need of our care and protection. Pope Francis reminds us that “every child who, rather than being born, is condemned unjustly to being aborted, bears the face of Jesus Christ, bears the face of the Lord, who even before he was born, and then just after birth, experienced the world's rejection.”<sup>1</sup>

The U.S. bishops have affirmed that, while it is important to address all the ways in which human life is threatened, “abortion remains our pre-eminent priority as it directly attacks our most vulnerable brothers and sisters, destroying more than a million lives each year in our country alone.”<sup>2</sup>

As Pope St. John Paul II wrote, “we are facing an enormous and dramatic clash between good and evil, death and life, the ‘culture of death’ and the ‘culture of life’. ...we are all involved and we all share in it, with the inescapable responsibility of choosing to be unconditionally pro-life.”<sup>3</sup>

In the face of challenges such as abortion and physician-assisted suicide, we may feel that we are not equal to the task of overcoming the darkness. Yet, we are not alone. Jesus tells us, “I am with you always, until the end of the age” (Matthew 28:20).

The God who became man to save us still dwells among us. For Christ is “the light [that] shines in the darkness, and the darkness has not overcome it” (John 1:5). He is the one who overcame death and continually raises us to new life. He remains close to us always, seeking us out in each moment of our lives.

Jesus gave his very flesh to give us the gift of eternal life and invites us to the most profound experience of this gift in our celebration of the Eucharist. When we meet Jesus in the Eucharist, this encounter has the power to change us. The Eucharist has the power to transform the depths of our hearts and the heart of our culture. United to the power of his Eucharistic Presence, may we work to ensure that each person has life—and has it in abundance.

**\*\*A Knights of Columbus Must Watch\*\***

A miracle attributed to Knights of Columbus founder, Father Michael McGivney, healed Mikey Schachle of a life-threatening condition. The miracle paved the way for Father McGivney's beatification on October 31, 2020.

A Two-Part Film on the Life of Pope John Paul II

Available for the first time as a video set, these two highly acclaimed films on the heroic true story of St. John Paul II star Piotr Adamczyk as the beloved Karol Wojtyla who became the Pope. Filmed on location in Poland and Italy, these two movies also feature gorgeous music by the legendary film composer Ennio Morricone.

Karol: A Man Who Became Pope follows the amazing life of Karol Wojtyla from his teenage years on the threshold of life as an actor, writer and poet when he sees his world shattered with the Nazi invasion of Poland in 1939. This saga follows his decision to become a priest and his struggles under the Nazi regime, up until the papal conclave of 1978.

Karol: The Pope, the Man focuses on his new life as the Pope, and the tremendous impact Pope John Paul II had on the church and the world until his death in 2005. It tells the dramatic story of the most influential papacy in modern times.
